GENERAL CONDITIONS

Terms & Conditions

Tours, trips excursions and events (also referred to as an "Activity" or "Activities") are offered by the National Railway Historical Society, Inc. (NRHS) to NRHS members and the public subject to these General Conditions, as well as to any special conditions applicable to each Activity. The specific conditions for a particular Activity may also modify these General Conditions. By making a reservation, a participant agrees to have read, understood and be bound by these General Conditions and the specific conditions applicable to that Activity.

Unless otherwise noted in the specific conditions for an individual offering or in the section "Payments, Cancellations & Refunds" below, full payment is required for each reservation at the time the reservation is made.

By making a reservation, a participant agrees that NRHS is not responsible for any delays, late arrivals, changes in trip itineraries, missed connections, loss of business or other opportunities, re-routings or detours required by or caused by a railroad or transportation service, cancelled or annulled trains, mechanical failures or Acts of God.

NRHS is not a common carrier, and Activities offered by NRHS are not common carriage.

NRHS and its representatives act only as agents for the passengers with respect to the transportation, accommodations and other services included in each Activity, including transportation by rail, motor coach, automobile, steamship or plane; as well as food and dining services, hotel accommodations, sightseeing tours and other similar services included in the Activity. NRHS is not responsible for any injury, delay, loss or damage from any cause whatsoever from these conveyances, accommodations and other facilities and activities or with respect to any other cause beyond the immediate control of the NRHS.

Smoking is not permitted aboard the buses, on the trains or at any other convention venue. Alcoholic beverages may not be brought aboard any trains, bus or to any convention event. All convention attendees must be able to board and alight from buses and trains, walk moderate distances (including on uneven ground), and maneuver at events without assistance.

Information in this booklet was accurate as of time of issuance. Due to circumstances beyond

our control, we reserve the right to make any necessary changes. Updates will be provided upon check-in at the convention registration desk, or during the convention.

Payments, Cancellations & Refunds

NRHS must pay non-refundable deposits, insurance premiums and other costs in advance of the convention dates to secure arrangements for the 2017 convention events. In order to assure that arrangements and required capacities will be available for convention attendees, the following policy applies to all registrations and Activity orders for the 2017 NRHS Convention.

Please read carefully the information on payments, additions, and cancellations.

NRHS strongly recommends that customers consider purchasing travel insurance to protect themselves from having to cancel their participation. This is especially important for customers who are concerned they may have to cancel for medical, personal or family situations, or who cannot afford to forfeit deposits.

Refunds

Decisions regarding cancellations will be at the sole discretion of the NRHS. This provision will also apply to credit card payments declined by the credit card issuer and check payments declined by the issuing bank. A \$75 fee will be assessed for each check returned for insufficient funds in addition to any other cancellation fees described herein.

Reservations and payments for air transportation, hotels and individual tourism before or after the convention are governed by the rules of the individual service providers. Again, NRHS strongly recommends that customers consider purchasing travel insurance to protect themselves from having to cancel their participation. This is especially important for customers who are concerned they may have to cancel for medical, personal or family situations, or who cannot afford to forfeit deposits.

Payment of Refunds

Refunds will be made to the customer who made the reservation. A refund may be in the form of a check for payments originally made by check. In the case of payments made by credit card, refunds may be made by either a credit to the account used for the original charge or by a check mailed to the person who made the original reservation. The choice of refund payment method will be at the sole discretion of the NRHS.

All appropriate cancellation charges will be deducted from the refund before the check or credit is issued.

Continued on next page.

Additional to Orders

Once an order has been placed, a customer may add to that order without payment of an additional registration fee. However, adding to an existing order requires the payment of the total balance due. This is a limitation of the commercial registration system employed by NRHS to permit on-line registrations. Even though a second payment may be required, this does not change the amount of the cancellation fees applicable to an order canceled prior to May 25, 2017.

Cancellations by Customer

Requests for cancellation of individual Activities or a total order must be made in writing to the NRHS. The cancellation fee will be determined by the date such written notification is received by the NRHS.

The following cancellation fees will apply to full cancellations:

March 1 through April 15, 2017	0% of the order, minus the registration fee
April 15 through May 24, 2017	75% of the order
May 25, 2017 or later	100% of the order

In the event of cancellation of an individual Activity, but not the full order, the same percentages will apply to the Activities cancelled.

Cancellations or Alterations by NRHS

NRHS reserves the right to cancel any Activity for any reason. In the unlikely event of a cancellation, a full refund will be made without any further obligation on the part of the NRHS. NRHS may make alterations without notice to any Activity, including changing or substituting schedules, routes or transportation equipment as NRHS deems appropriate or desirable. NRHS reserves the right to provide a full or partial refund if, in the sole discretion of NRHS, the altered Activity is not equivalent.
