Thanks for the hours of hard work

The NRHS member discount list is included in the preceding seven pages of this issue. We appreciate all of the hard work and dedication put into compiling this list each year by Wesley F. Ross. He spends countless hours sending mails and emails, and phoning the attractions to solicit their participation in the NRHS program. Ross has been a member of the NRHS since 1973 and served as the national director of the Kentucky Central Chapter beginning in 1988. He served as regional vice president of the Ohio Valley Region for a number of years. The NRHS wishes to thank all of the rail attractions that are offering discounts and special promotions to our members.
